ABOUT ME

I am a dedicated student from Shouhda 25 Yanayer Secondary School with hands-on experience in the pharmaceutical field. I completed a 3-month internship at Abdalkrem Pharmacy, where I gained valuable insight into pharmacy operations and patient care. Following this, I was promoted to a part-time position as an assistant to the pharmacist, where I further developed my skills in customer service and medication management. In addition to my practical experience, I have taken a course in laboratory work, expanding my knowledge in the field. Outside of my academic and professional pursuits, I am passionate about sports, particularly playing football and handball as a goalkeeper."
